# RangerProtect: Essential Cover

RangerProtect insurance cover offers rangers accidental death, disability and medical evacuation, while on duty.

## The Problem

Rangers across Africa are subject to an increasing risk of confronting life-threatening encounters as they face risks associated with dangerous wild animals, sickness, community backlash, and the threat of armed poachers and militia groups. A WWF study indicated that 50% of rangers had no life insurance and 60% had no long-term disability insurance.

## The Solution

In 2017 the GRAA partnered with SATIB to create a unique product for its members. It offers accidental death and disability cover as well as medical evacuation cover and incident management support which is crucial to rangers operating in remote areas.

## The Cover Provided

### Accidental death cover:

- Capital payment: R50 000 or \$2941
- Repatriation of mortal remains: included in Evac
- Bereavement benefit: nil
- Excess structures: nil

### Permanent Disability (Accident Only):

- Capital payment per permanent disability schedule: up to R150 000 or \$ 8824
- Temporary Total Disability (TTD): R2 500 or \$147 per week (max 52 weeks - 30 days excess)
- Emergency transport/search and rescue costs: R350 000 or \$ 20 588
- Emergency Medical: Actual emergency treatment up to R350 000 or \$20 588 (excess R1 500 or \$88 each and every)
- Life support equipment: R45 000 or \$2647
- Mobility: R75 000 or \$ 4412
- Quadriplegia: R30 000 or \$ 1764
- Rehabilitation: R45 000 or \$ 2647

### Excess Structures:

- TTD/Income protection - 30 days
- Emergency Medicine - R1 500 or \$88
- Med Evac - Nil
- Age Limit of 79 years
- \*see policy wording document for details and additional exclusions
